

CLICK2VIEW

A New Way to Look at Standards

NO INDUSTRY MODULES, JUST THE STANDARDS YOU NEED, WHEN YOU NEED THEM!

Click2View is the NEW "Full Text" subscription service from SAI Global. Just Click2View the full text of any standard in your collection as often as you need.

- This powerful service is available to anyone in your organisation, providing direct full text access to the standards required straight to the PC.
- Your Standards will be automatically updated on-line, so you can be sure that you are using the most up to date versions.
- You will receive an automatic e-mail each time any standard within your subscription is updated - essential for those ISO or other quality audits.
