Based in Darwin? Get Qualified this August and Save!*

Looking for a qualification to help you upskill and stand out from the crowd? Don't miss out on this rare opportunity to complete the **BSB51607 Diploma of Quality Auditing** in Darwin! The next round of dates in Darwin are in August 2009 and bookings are now being taken - register today!

About the BSB51607 Diploma of Quality Auditing

The **BSB51607 Diploma of Quality Auditing** is a nationally recognised qualification essential for Lead Auditors. In addition to audit and compliance competencies, this modularised learning and assessment solution also covers the management of risks within the management system, and provides a variety of electives to suit your particular workplace development requirements. Consisting of ten days face-to-face public learning, plus assessments, the modules to be offered for the Darwin event include:

<u>Lead Auditor in Quality Management Systems (5 Days)</u>	17th - 21st August (special offer: \$250 off)*
<u>Integrated Risk Management (2 Days)</u>	24th - 25th August (special offer: \$100 off)*
<u>Effective Workplace Leadership (3 Days)</u>	26th - 28th August (special offer: \$150 off)*
