

LOCAL GOVERNMENT CLUSTERS PROGRAM

OVERVIEW

The Local Government Clusters (LGC) Program is a five-month excellence program, designed specifically for Councils starting the Business Excellence journey. The LGC caters to the growing demand for cost-effective, practical Business Excellence solutions. As you partner with other Councils on this program, you will be provided with the opportunity to build a strong support network with Councils in your local region who are implementing and are committed to Business Excellence.

BENEFITS

Partnering with other Councils, the Program will enable you to;

- Understand and apply proven excellence tools and practices
- Learn about Continuous Improvement methodologies
- Build a network of people from other Councils implementing Business Excellence
- Save up to \$30,000 by partnering for Excellence

THE PROCESS

By participating in the LGC Program, you will partner with a group of other Councils for the duration of the program. Each Council will nominate four representatives to partake in the five-month program.

Please refer to the reverse-page to view the five-month program.
